Security and Safety Tips for Youth Energy Conference and Awards

For Teachers to Review with Attendees:

Safety Protocols

The following is information to consider prior to departing for the Youth Energy Conference and Awards.

1. Virtually all security checkpoints at airports, federal buildings and others now require a photo identification. It is suggested that all students attending the Youth Energy Conference and Awards carry photo identification. State and local government issued identification will suffice.
2. Discuss the importance of not losing your identification card for time spent in the Nation's Capital, and mark all bags and personal items with appropriate identification.
3. Have a conversation with your students about staying with their group, being aware of their surroundings and listening to instructions given by NEED staff, school personnel, and tour company staff.
4. Be sure your student understands that joking at the airport and building security is inappropriate and can result in significant problems.

It is suggested that you arrive at least two hours before your flight. If you do not check in forty-five minutes before your flight or are unavailable during boarding, the airline may give away your seat. We encourage you to give yourself ample time at the airport.

Other Items you “NEED” to Know

Airport Arrival

The Hyatt Regency provides a shuttle from Reagan National Airport to the hotel. NEED staff will make every attempt to meet you at baggage claim. They will be wearing Dark Blue 2024–2025 NEED t-shirts and carrying NEED signs. If the staff is unavailable, proceed to Ground Transportation. There will be a Hyatt Shuttle running every 20 minutes. Located in Terminal 1 or Terminal 2 lower level, through door 4 and 7. If you need assistance, please contact the Hyatt Regency at 703-418-1234 (ask for the NEED registration desk). You can now track the hotel shuttle by following the link (www.trackmyshuttle.com) using code 2799. This link will give you estimated times to and from the airport.

Bellmen

The bellmen have been tipped for handling your luggage, you do not need to tip them unless you'd like to. Before hotel check-in luggage may be stored with the bellmen in the Independence Room A - Independence Level.

Conference Registration

If your rooms are not ready upon arrival the bellmen will safely hold your bags for you in a designated space – Independence Room A - Independence Level. From the Lobby Level, proceed down the escalators to the **NEED Information Booth** where the **GROUP LEAD TEACHER** will pick up name tags, and conference materials. Only the lead teacher should visit the check in desk to check in your entire group. Your participants will receive their name tags from the lead teacher.

Hotel Registration

Your group will check into their hotel rooms at Hotel Registration in the Independence Room. Groups will receive key packets for their rooms. If your group may require incidentals (room service, anything signed to the room) please proceed to the front desk to put a credit card down on the room for incidentals.

Parking

Parking is available in the garage from the valet. Please pull up in front of the hotel and allow the valet to park your vehicle. NEED will pay for parking at the hotel for all registered attendees during the conference dates. It is appropriate to tip the valet.

The Agenda

For last-minute changes, stay updated by visiting the NEED website at www.youthenergyconference.org.

T-Shirts

NEED will provide each attendee with a 2024–2025 NEED t-shirt. The Group Lead Teacher will pick up all shirts at the NEED Information Booth during conference registration.

What to Wear

Casual clothes are appropriate for most of the conference. The D.C. area can be very hot and humid in June. We recommend packing sunscreen and a hat for touring. The Hyatt Regency has a pool, so bring your swimsuit. The hotel can be a bit chilly, so a light sweater or jacket may come in handy. The Spirit of Washington dinner cruise on Sunday is tropical-themed. The Youth Awards Ceremony on Tuesday is dressier, nice attire. It is important all groups are dressed appropriately for the ceremony. Please refrain from jeans, shorts, flip flops, or other casual wear for the ceremony.

Snacks and Stuff

Bring extra cash for snacks, lunch, and drinks from the drink machines.
